

About Rubin Lublin, LLC....

In April 2009, we launched Rubin Lublin, LLC, a law firm dedicated to exceeding the expectations of its lending, mortgage banking, loan servicing, commercial landlord, property management and title insurer clientele. Rubin Lublin has all the manpower, expertise and resources required to meet the challenges and opportunities that currently present themselves in our industry. We are strongly committed to our core values of superior customer service to our clients and to respecting the rights of borrowers and tenants while treating them with dignity. While Rubin Lublin the entity was formed in 2009, our attorneys and staff have been working in the mortgage settlement, default and title industries dating back to the 1990's. We have extensive experience working with Fannie Mae, Freddie Mac and HUD/VA, as well as various state agencies and some of the largest non-governmental lenders, mortgage servicers and title companies in the nation.

Who we are.....

With a combined 60 plus years of industry experience and a prestigious AV rating from Martindale-Hubbell, our founding partners Glen Rubin and Peter Lublin are nationally prominent and considered go-to attorneys in the real estate finance industry. Peter is a past Chair of the State Bar of Georgia – Real Estate Section. Glen is a past Chair of the Legal League 100, a trade group consisting of the top mortgage default firms in the country.

Our attorneys and staff are dedicated to resolving the legal issues confronting our clients in the most expedient and cost-effective manner, while delivering personalized service and professional results. We also offer representation to commercial landlords and property management companies from lease inception to lease expiration. We employ the latest case file management technology in each of our practice areas to enable us to communicate effectively with our clients and offer them the best possible service while handling a high volume of their work. In our compliance and real estate/title litigation areas, we offer big firm expertise at a fraction of the cost.

MORTGAGE DEFAULT

At Rubin Lublin, we don’t take shortcuts in mortgage default. We offer the ability to deal with the routine, as well as the complex, file giving each matter the appropriate amount of attention required. We offer our services in the states of Georgia, Tennessee, Alabama and Mississippi.

Our mortgage default groups (foreclosure, bankruptcy and eviction) take an old school approach in that our staff is managed by attorneys who touch the file at various critical stages of the process. As a result, we feel like we make fewer errors than our competitors and deliver a superior product to our clients.

Led by Glen D. Rubin, who has over 30 years of industry experience handling foreclosure, bankruptcy and eviction matters, the group consists of 2 other partners and 10 associate attorneys. Partners Victor Kang and Lisa Caplan make great use of our CaseAware case management system to automate the processing of files but flag matters which are non-routine and call for special handling.

LITIGATION/TITLE CURATIVE

Our litigation group delivers big firm experience without the big firm price tag.

Led by Peter L. Lublin, who has over 30 years' experience litigating and trying cases for various lenders and title companies, the group consists of 2 additional partners, numerous associate attorneys, paralegals and staff. Peter is assisted by Partners Tenise Cook, who oversees the title curative group and Bret Chaness, who oversees the lender defense group. Their combined experience allows us to take the most cost-effective approach in resolving and managing cases for our clients. Tenise and her attorneys specialize in clearing title to GSE and HUD/VA specifications, which avoids penalties and reconveyances. Peter has a vast knowledge of real estate litigation. There is virtually no issue or borrower tactic he has not seen. As a result, the litigation group is often praised by clients for their creativity and ingenuity in successfully litigating cases.

Bret and his attorneys have scored some major victories for clients recently in the area of mortgage fraud and has become nationally regarded for its work in defending Truth In Lending Act, the Real Estate Settlement Procedures Act, the Fair Credit Reporting Act and the Fair Debt Collection Practices Act claims against our clients. Additionally, many of the group's bankruptcy litigation victories are highlighted in case law updates provided by bankruptcy institutes and publishing companies. Peter, Tenise and Bret frequently speak and write on industry related topics and have served on the Georgia State Bar's Real Property Section Executive Committee.

Our litigation department is comprised of hand-selected attorneys that handle substantive and complex litigation for lenders, loan servicers, title insurance companies and their insured's, and commercial real estate companies. When representing lenders and loan servicers the group litigates wrongful foreclosure, Truth in Lending Act, Real Estate Settlement Procedures Act, Fair Credit Reporting Act, Fair Debt Collection Practices Act and other state and federal claims related to residential lending and servicing. When representing title insurance companies and their insured, the group pursues and defends cases involving contract disputes, lien priority issues and quiet title actions as well as pursuing actions to recover losses. In the bankruptcy arena the group litigates lien avoidance and preference actions, other contested and adversary proceedings related to lenders' and servicers' security interest in real property, and state and federal claims related to the residential lending and servicing industry.
